

21ST ANNUAL GOLF TOURNAMENT

TLA Golf Tournament: A Rousing Success Once Again

The TLA's 21st annual golf tournament was a fun-filled day full of golf, networking and prizes. The sun shone for the most part and the Caribbean theme—and spit-roasted pig—were well received. The golf course was at its best and, as always, TLA members enjoyed the great forest history Crown Isle has on display. New this year, we did team photos before the golfers headed out and after the tournament each player got to take home a souvenir photo.

This year at the tournament we raised \$5,700 for the TLA Forestry Education Fund which included \$1,700 at the Nootka Sound Timber Co. Ltd. shooter bar (which is the highest ever), \$200 raised at the first-table-to-the-buffet auction, and \$3,800 raised at the silent auction. The silent auction, new this year, was lots of fun and we'll be doing it again next year.

Congratulations to this year's winning team: Ponting Contracting Ltd. (Left to right: Dave Jensen, Mark Ponting and Tyler Michaud. Not pictured: Cody Ponting and Adam Berkenstock.)

In honour of the TLA's 75th anniversary, the golf tournament is going to Bear Mountain Resort Community in Victoria next year. We'll take over both Bear Mountain golf courses so everyone can take part. Look out for more information about next year's tournament in 2018.

Finally, thank you to all our generous sponsors. We appreciate it!
